3	3	3	thanks for the links
3	3	3	amazing speaker!! Great session. Would recommend to colleagues
3	3	3	very intriguing session. Thanks
3	3	3	

3	3	3	good start to the day
3	3	3	made dok much clearer
3	3	3	
3	3	3	
3	3	3	excellent example problems for depth of knowledge!
3	3	3	
3	3	3	Excellent presentation!!! Well prepared and delivered!
3	3	3	I enjoyed the session :)
3	3	3	
3	3	2	engaging
3	3	3	great session! Hadn't really looked at dok and this was way helpful!
3	3	3	very thought provoking!
3	3	3	Great, very engaging, and thought provoking.
3	3	3	someone's response to how old is the shepherd problem: what the flock?
3	2	2	
3	3	3	very insightful! I wish the math teachers at my site had been here to hear it!
3	3	3	
2	3	3	great session, but I wish you showed us how to create DOK 2 and 3 questions
3	3	3	Valuable information, worthwhile session.
3	3	3	It was to get a different take on DOK questioning and the need for it.
3	3	3	I can't wait to get even more info from your website. My colleague and I used many things over the summer to develop instructional modules for
3	3	3	Great session
3	3	3	Thanks for making your website available to all!
3	3	2	Very engaging speaker
3	3	3	The session gave me some great ideas to use in the classroom. Thanks! Very grateful for the website as well.
3	3	3	Good, enjoyed the discussion on depth of knowledge
3	3	3	Really liked this session! Great way to start the conference. Yay.
3	3	3	Good session.
3	3	3	great session
3	3	3	love the DOK info and activity
3	3	3	always very interesting I appreciated the first attempt second attempt worksheet
3	3	3	Robert Kaplinsky rocks! (Despite the tech curveballs the convention center threw him.)

3	3	3	Thought provoking
3	3	3	have used problems from your website before. Nice to hear and see the man behind the math. Thank you for the handout on attempts iOS problems.
3	3	3	made me understand dok better regarding test questions
3	3	3	Great information! Thanks!
3	3	3	
3	3	3	great progression through lesson. Suggestion: change color fonts
3	3	3	thanks Robert you rock! I appreciate your openness to take questions
3	3	3	Great session
3	3	3	great! Perhaps more tools to use in the classroom- a lot of theory and teaching philosophy but practical tools would be helpful
3	3	3	great job!!!
3	3	3	nice refresher
3	3	3	
3	3	3	Robert is awesome! A lot of great ideas!
3	3	3	excellent. Made me realize I need to relearn my teaching strategies. Thank you.
3	3	3	
3	3	3	Robert crushed it
3	3	3	
3	3	3	very interesting, especially liked the statistics on how students do on higher dok problems
3	3	2	
3	3	3	loved this session
3	3	3	Great job, Robert!
3	3	3	I took a lot away from my time here. Thank You and I look forward to following your site. What you said about liking Common Core was very well put.
3	3	3	I really enjoyed this session. Great way to start the day after my latte
3	3	3	
3	3	3	great thinking for me, I really enjoyed the challenge of the DOK 2 and 3 problems and have a better understanding of DOK.
3	3	2	
3	3	3	great session.
3	3	3	awesome!
3	3	3	as always Robert shared his insights about how best to inspire students in the classroom. Great practical information!
3	3	3	terrific
